

ACCESS THE MAGNOLIA DATABASES

1. Visit www.lamarcountylibraries.org
2. In the left frame, roll your cursor over the “Reference and Research” tab
3. In the roll-out menu, click on “Library Databases”
4. Click on the MAGNOLIA icon
5. Click on the box in the upper right “Access MAGNOLIA resources from home”
6. Choose your home library from the list and click on it
7. Choose a database by subject or by database provider
8. When prompted for a Library Username, enter the code provided to you by the staff at your home library (codes cannot be publicly advertised)
9. If you need the code, please call the number for your library listed on the Page prompting you for the Library Username
10. Once you enter the Library Username, you will be redirected to the page where you may choose your database by subject or provider.
11. If you choose by subject, you will be directed to a page with databases containing that subject
12. Click on the database of your choice
13. You will be directed to the opening search page for that database
14. Enter your search terms to begin your search.
15. Some databases have advanced search features and features which allow you to browse the publications.
