Oak Grove Public Library

FRIENDS OF THE OAK GROVE PUBLIC LIBRARY

The Friends of the Oak Grove Public Library is a group of volunteers who, through various activities, provide support to the OGPL and the Lamar County Library System.

601-296-1620

NEW FRIEND

RENEWAL

What do they do?

The Friends of the Oak Grove Public Library meet periodically to discuss ways to help their library branch. Members of the Friends of the Library organization make the public more aware of the services and resources offered by the library. The Friends of the Oak Grove Public Library also help promote special programs hosted by the library.

What are the benefits?

- Have an impact on the kinds of services and resources your local public library provides
- Have an impact in the community
- Enjoy a one-month check-out period

Responsibilities...

Some members may want to be more involved than others. You may want to pay annual dues and attend meetings, but not assist with a particular event or ongoing projects. You may choose to become very involved: serve as a project director, secretary, or treasurer; attend local government meetings to urge city and county officials to invest in the library; lobby for and help raise funds to support, enhance, and expand library services. Each member decides how he or she will participate.

Detach and mail or bring to the Oak Grove Public Library (address on back).

I Want to be a Friend of the Oak Grove Public Library!
